

Bible Building Blocks: Character Building Puppet Skits

My book is a resource for those in need of an entertaining way of teaching Biblical concepts using puppetry. This resource was written with 6 months worth of puppet skits, 24 in all. Each month is centered on a certain Biblical theme, such as forgiveness, love, obedience, etc. There is a scripture verse included in each month's lesson for the sole purpose that repetition brings remembrance. Also with this resource the teacher can set up the stage and use the same props all month long. This method cuts down expense and trying to come up with something new every service. The children will get to know the characters and the Word of God will be deeply rooted in their hearts at the same time.
