

## Chillers - Book Two

The first volume was nominated for Best Anthology graphic novel by both Shel Dorf Awards and the Ghastly Awards. It was also named as Best Horror Anthology for 2012 by Decapitated Dans Dark Delights. This second volume continues the quality with 14 ALL NEW tales based on the classic Troma feature film, Chillers that was written and directed by Daniel Boyd. Here Boyd has assembled much of the same talents for this second volume and included some great new additions. Join in as the Babylon Bus picks up the participants who have found themselves in horror and gothic surroundings with only a few to live through the tale to tell it. Emerging from the twilight...from out of the crypt and beyond the darkside comes...CHILLERS. In the annals of horror there are a handful on names that rise above the genre as true craftsman of cinema. You have George Romero, John Carpenter, and trailing not too far behind, Daniel Boyd. - The Joblo Network
