

Hannes Schmid Rockstars (English and German Edition)

(Please Note: this books comes in both a black cover and a gold cover, it is impossible to order one or the other - both are handsome- if cover selection is critical do not order) Hannes Schmid s pictures of immortal rock legends such as Queen, Motorhead, Kiss, AC/DC, ABBA, Blondie, Kraftwerk, Depeche Mode and many others have become icons for generations of fans. With his camera he accompanied the bands and the individual stars up-close; not as a paparazzo, but always as a friendly member of the band. In this compelling book, Rockstars, the internationally renowned photo artist presents the best of his extensive, previously unpublished archive for the first time. Hannes Schmid s extraordinary photographs depict the most successful musicians of the 1970s and early 1980s behind the stage, allowing intimate views into their private lives. In these pictures Schmid portrayed the stars in a unique manner, and in doing so, he influenced the image of rock and roll to this day. Precisely observed, astonishingly captured, and very personal, these photos are a discovery and a valuable contribution to the visual archive of popular culture. A selection of this unique collection of 70,000 photographs is now published for the first time in Rockstars.
