

Propaganda Postcards of World War II: More Than 300 Postcards from Over 20 Nations with Incisive Commentary

The current fascination with World War II, spurred by movies such as Saving Private Ryan and books like The Greatest Generation, stems from the revelation of the horrors and humanity of that momentous war. An often overlooked chronicle of those years and events exists in the propaganda postcards created by artists and governments of the nations involved. More than 300 postcards and incisive commentary provide a provocative glimpse into the emotional climate of the people affected by the war, whether they were on the battlefield or on the production line. Features: more than 300 cards from over 20 Axis, Allies, and Neutral nations; Historical commentary explains the story behind the cards; value ranges.
