

# Eat & Go: Branding & Design Identity for Takeaways & Restaurants

Takeout food is a booming business, with more and more restaurants providing not only in-house table service, but also dishes to be eaten elsewhere. However, providing suitable packaging for their food that allows diners to enjoy the restaurant experience at home represents a real challenge, for both restaurants and designers.

More and more restaurants not only provide table services but also make food for eating elsewhere. Restaurants involved need a set of Takeout food is a booming business, with more and more restaurants providing not only in-house table service, but also dishes to be eaten elsewhere.
