

Fundamentals of Business Law

Straightforward coverage of business law topics in an affordable, briefer paperback format. The text provides concrete information on selected business law topics such as sales, courts, torts, contracts, commercial paper, business organizations and property. Cases are summarized and integrated within each chapter, and a Personal Law Handbook concludes the text.

This exam covers general legal knowledge relating to the business environment, a basic knowledge of the law of contracts, and an understanding of the law of business organizations.
