

XXModels

The girl-next-door, as you'd like to see her: brushing her teeth, eating, showering, picking her nose and always nude or at least in her underwear. Richard Kern's out of print classic, *XXMODELS* (2001) was secretly published in Japan to get around the censors that prohibited the sale of his book *MODEL RELEASE* (2000) in that country. 64 pages, 51 COLOR photographs

Presented here are twenty recent projects by an equal number of young Belgian architectural firms, published in conjunction with the exhibition *XX Models*: editor: Marie-Cecile Guyaux and Iwan Strauven organization. Department of Architecture and urban planning. year: 2012 type: book
