

How To Copyright Books And Acquire An ISBN Number

This book will save several hours of research and help a reader quickly and easily learn the best practices of book copyrights to safeguard their intellectual property. In 60 minutes you will understand your copyright protections, how to register your book with the U.S. Copyright office, satisfy the mandatory deposit requirement, and also acquire an ISBN number if you decide one is needed. This book will spell out exactly what you need to do, where you need to go to make it happen, and learn the step-by-step instructions for completing the tasks. Many authors are unaware of the critical importance of registering their book with the U.S. Copyright office within 3 months of publication. Establishing a public record of a work and when it was created by registering the work with the U.S. Copyright office within 3 months of publication offers legal remedies and awards the author may not be entitled to otherwise.
