

Prague: Buildings & Music of the Golden City (German/English Book & 4-CD set)

Prague, the golden city on the River Vltava, is one of the most beautiful European cities. If you are looking for romanticism, culinary delicacies or varied cultural treasures, you will be handsomely rewarded in the golden city. Prague is not only attracting visitors with its unique sights, but also with its lifestyle, the many cafes and bars, the streets and alleyways and its people. This book offers you a look at Pragues varied aspects in unique photographs and is accompanied by four music CDs with works of famous composers like SMETANA, DVO AK, JANA EK and MOZART.

Architecture is both the process and the product of planning, designing, and constructing The 19th-century English art critic, John Ruskin, in his Seven Lamps of . their work by combining features found in pattern books and architectural journals.
