

Creator Owned Heroes #5

46b oages! ALL-NEW STORIES BEGIN! KILLSWITCH, Part One Part one of a brand new four-part story. Introducing Killswitch, an enigmatic, and devastatingly handsome killer with a fetish for blunt force, a strong code of honor, and more than a few skeletons in his closet. Killswitch is drawn into a game of death with the worlds top assassins to find out who is behind the contract on his head - and why. BLACK SPARROW, Part One A brand new two-part story begins, as a family living in the old west must reconcile that someone close to them might be a killer, or worse. A dark tale of haunting family dedication and the price we pay for love. PLUS! An with AMANDA CONNER, art galleries, con photos, and original articles all celebrating the creator owned spirit.
