

Contra Dance Calling: A Basic Text (Second Edition)

Here is the first comprehensive entry-level book on contra dance calling, newly revised and updated for the Internet age. Every aspect of the callers work is dealt with clearly and thoroughly: music, timing and phrasing, voice technique, dance notation, teaching, programming, sound equipment, event management, and working with special groups. The book includes an in-depth discussion of the basic movements (such as do-si-do), a selection of easy-to-call dances, a complete glossary, and a Resources section listing dance titles, tunes, books, recordings, videos, software, organizations, retailers, dance events, and websites.
