

## Tribal Body Art Tattoos (Dover Tattoos)

Tattoo fans of all ages and anyone interested in aboriginal cultures will be thrilled with this collection of intriguing designs. Twelve images, based on authentic tribal body art and printed in popular blue-black ink, depict stylized creatures of land, sea, and sky; star-shaped and spherical objects; and two boldly outlined bands featuring a woven motif. Easily applied to arms, legs, the face, and other body parts, these safe-to-use designs will be eye-catchers wherever they're displayed.
