

The the International Comparative Legal Guide to: Copyright

Welcome to the first edition of The International Comparative Legal Guide to: Copyright. This guide provides corporate counsel and international practitioners with a comprehensive worldwide legal analysis of the laws and regulations of copyright. It is divided into two main sections: One general chapter. This chapter is entitled Copyright in the Digital World. Country question and answer chapters. These provide a broad overview of common issues in copyright laws and regulations in 23 jurisdictions. All chapters are written by leading copyright lawyers and industry specialists and we are extremely grateful for their excellent contributions.
