

# Michael Breins Guide to Berlin by the U-Bahn (Michael Breins Guides to Sightseeing By Public Transportation) (Michael Breins Guides to Sightseeing By ... to Sightseeing By Public Transportation)

#Michael Breins Guide to Berlin by the U-Bahn shows travelers how to go to Berlin s top 50 visitor attractions by U-Bahn (subway), S-Bahn (suburban rail), national rail, tram, and bus. The guide shows which transit to use, which lines to take, which stops to board and exit at, and, using about 30 detailed mini-area-walking maps, shows exactly how to walk from these stops right to the visitor attractions. Additional nearby points of interest are also indicated on these mini-maps. An ultra-large (very easy to read) official map of Berlin s transit system is also provided. The Berlin guide is concise, compact, and comprehensive and fits in your pocket (leave the bulky books back in the hotel room!). Michael Breins Berlin guide is part of the worlds first and only travel guide series specifically designed to show travelers how to sightsee the top 50 visitor attractions by public transportation in a variety of the worlds most visited cities.#
