

Persia Blues, Vol.1

Minoo Shirazi is a rebellious young Iranian woman struggling to define herself amid the strict social conventions of an oppressive regime and the wishes of an overbearing father. She is also a free-spirited adventurer in a fantasy world, a place where aspects of modern America and ancient Persia meld into a unique landscape. Blending Eastern and Western civilization with elements of ancient Persian mythology, Persia Blues explores the intersections of guilt and freedom, family and self, ancient myths and modern enigmas.
