

# Law of Contract (Law Questions & Answers)

Modern contract law increasingly demands the analysis and application of sophisticated concepts which students commonly find difficult. In QandA Law of Contract, the authors incorporate some of the more effective techniques of writing examination answers in the subject, and help students to formulate the correct approach to answering legal problems. This third edition has been substantially updated to take account of recent developments in the law, with particular attention being paid to the Contracts (Rights of Third Parties) Act 1999 and the Unfair Terms in Consumer Contracts Regulations 1999. It also includes Dir 99/44/EC on Consumer Sales and Associated Guarantees. Moreover, problem questions have been updated to take account of seminal decisions in areas such as fraudulent misrepresentation and undue influence as in *Smith and New Court Securities Ltd v Scrimgeour Vickers Ltd* (199) and *Royal Bank of Scotland v Etridge (NO. 2)* (1998).
