

Erotic Colour Prints of the Ming Period (2 Vols): With an Essay on Chinese Sex Life from the Han to the Ching Dynasty, B.C. 206- A.D. 1644. Authorized Reprint. (Sinica Leidensia)

In 1949 the sinologist Robert van Gulik (also known now for his Judge Dee mysteries) purchased in a Tokyo curio-shop a set of printing blocks of a Ming Erotic Album. Two years later the album, with an extensive treatise, was published by Van Gulik himself in a 50 copies print run, sent to a small group of Sinological libraries, as the erotic prints and other data ought not to fall into the hands of unqualified readers. It was to be the author's first work on the subject, preceding his groundbreaking *Sexual Life in Ancient China* (new edition, Brill, 2002). Unqualified readers have now at last become qualified with this official edition. James Cahill, Wilt Idema and Soeren Edgren provide readers with indispensable introductions to its art historical, literary, biographical, and book technical context.
