

Avengers: Heavy Metal

What begins as a simple prison break suddenly turns into a technological nightmare for the Avengers, as robotic foes from all eras of the teams history join forces under the leadership of the Super-Adaptoid! What is the Adaptoids ultimate goal, and how does the Cosmic Cube factor into it? And when the Adaptoid gets a major power-up, will any of the team be left standing to stop him? Plus, the Avengers move their headquarters to the floating Hydrobase, but is Dr. Druid hiding a secret agenda? Who is the beautiful woman he keeps dreaming about, and what does it all have to do with Kang the Conqueror? COLLECTING: Avengers (1963) 286-293
