

The Three Jaguars: A Comic About Business, Art, and Life

Being in business as a creative of any type--writer, artist, musician, craftsperson--can be intimidating. The Three Jaguars web comic tackled basic business issues for artists with humor, panache, and fur! Using the archetypes of Artist, Marketer, and Business Manager, the jaguars took on everything from troubling contract clauses to calculating return on investment. This collection includes the entirety of the 6 month run of the comic, plus bonus material drawn for this volume specifically. Hugo Award-winning artist Ursula Vernon says Its better than burning your house down and taking to the sea! So pull up a chair and join the jaguars for fun, education, and the occasional cuddle picture! (Marketer insisted on that part!)
