

THE GIRL HED OVERLOOKED (Harlequin comics)

Jennifer has always loved James, the wealthy boy next door. When she was old enough, she confessed her feelings for James and invited him into her bed, but he declined, saying she was like a sister to him. Now, four years later, the once-plain Jennifer has become a startling beauty and is enjoying her life with popular artist Patrick. But deep inside, her heart still burns for James. So when Jennifer encounters James again, she isn't able to resist him, and she insists she needs only one chance with him to make her forget about that humiliating night!
