

Positive Discipline for Preschoolers

Caring for young children is one of the most challenging tasks an adult will ever face. No matter how much you love your child, there will be moments filled with frustration, anger, and even desperation. There will also be questions: Why does my four-year-old deliberately lie to me? Why won't my three-year-old listen to me? Should I ever spank my preschooler when she is disobedient? Over the years, millions of parents just like you have come to trust the Positive Discipline series and its commonsense approach to child-rearing. Now completely updated to report the latest research in child development and learning, *Positive Discipline for Preschoolers* will teach you how to use methods to raise a child who is responsible, respectful, and resourceful. You'll find practical solutions for how to:- Avoid the power struggles that often come with mastering sleeping, eating, and potty training - See misbehavior as an opportunity to teach nonpunitive discipline not punishment - Instill valuable social skills and positive behavior inside and outside the home by using methods that teach important life skills - Employ family and class meetings to tackle behavioral challenges - And much, much more! This revised and updated third edition includes information from the latest research on neurobiology, diet and exercise, gender differences and behavior, the importance of early relationships and parenting, and new approaches to parenting in the age of mass media. In addition, this book offers new information on reducing anxiety and helping children feel safe in troubled times.

When your child misbehaves: Tips for positive discipline For example, if your preschooler throws food on the floor, make sure she helps you clean up the mess. Note 5.0/5.
