

Vampirella: Morning in America #3

Kurt Busiek's classic reboot on Vampirella from 1991 ushers her into the modern age in Vampirella: Morning In America! Vampirella discovers where Chelsea is being held. She, Adam and Pendragon fight undead warriors to free Chelsea. In the battle Pendragon uses real magic, which he has been learning to supplement his slight of hand. Chelsea is rescued and they discover Conrad Van Helsing, barely alive (despite the fact that they had buried his corpse in the last book!). They leave, unaware that Nathan Shroud has been watching and that their actions are fulfilling his complex plans. Part 3 (of 4), 48 pages.
